

Weatherize 2020

Energy Efficiency/Weatherization Workshop

Come learn how to help yourself and members of your community **save money, stay warm,** and **reduce their energy usage** by weatherizing their homes

When: Wednesday, March 18th

Where: [Windham Public Works](#)
185 Windham Center Rd

Time: 6:00 pm—7:30 pm

Light Refreshments Provided

We will discuss:

- Why weatherization is important
- What it means to weatherize your home and how it is done
- How you can finance the weatherization of your home
- Starting a weatherization campaign in your community

Presenters will include:

- Erik North, [Free Energy Maine](#)
- Bridget Doxsee, [Efficiency Maine](#)

Registration — <http://growsmartmaine.org/events/smart-growth-forums/>

The workshop is free to attend
