

NDEC KENNEBEC COUNTY DIGITAL SKILLS SUCCESS PLAN PROGRAM

- ▶ Are you a resident of Kennebec County that would like to be more a part of the digital world?
- ▶ Do you need help with obtaining affordable internet access?
- ▶ Are you willing to attend digital skills classes at your local library, adult education program, or community center?
- ▶ Do you need help obtaining an affordable device to connect to the internet?

Digital Skills Success Plans include 3 components:

1 - on-1 assessment session with a Digital Navigator & NDEC Digital Skills staff

Classes to meet your digital skills needs

Assistance with obtaining a free or low cost device

- ▶ All of our Digital Skills classes are free and small group, interactive classes.
- ▶ As part of your Digital Skills Success Plan, we will help you in obtaining a device once you have the skills to successfully use it.
